

Brows

Witherspoon is a dirty blonde, an ash based brown, used for clients with warm skin undertones. Can also be used to neutralise existing pink or orange eyebrows.

Jackman is an ash brown, brown green based, used for clients with warm skin undertones. Can also be used to neutralise existing pink or purple eyebrows.

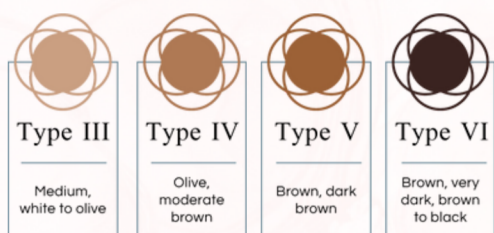

Jolie is a deep rich dark brown used for clients with cool skin undertones.

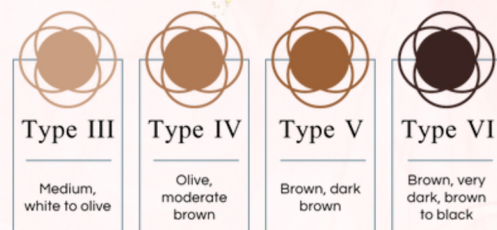

QUANTUM

PMU COLORS

Momoa is a dark ash brown, a green based dark brown used for clients with warm skin undertones. Can also be used to neutralise existing pink or purple eyebrows.

Leia is a warm based dark brown used for clients with cool skin undertones.

Mendes is used for clients with red hair and cool skin undertones. If the client is warm mix in a little Witherspoon or Jackman. Can also be used to neutralize existing blue, gray or green eyebrows.

QUANTUM
